The Community Development Committee of the Willmar City Council met on Thursday, November 17, 2016, in Conference Room No. 1 at the City Office Building.

Present:	Rick Fagerlie	Chair
	Andrew Plowman	Vice Chair
	Tim Johnson	Member
	Dennis Anderson	Member

Others present: Bruce Peterson - Director of Planning and Development Services, Eric Rudningen - Oasis Aero

Item No. 1 Call to Order

The meeting was called to order by Chair Fagerlie at 4:45 p.m.

Item No. 2 Public Comments (For Information Only)

There were no public comments.

Item No. 3 Fixed Base Operator Agreement for Willmar Municipal Airport (Resolution)

Staff detailed the process used to achieve a mutually acceptable agreement between the City of Willmar and Oasis Aero. The new agreement was necessary due to the City's termination of the previous FBO. Following solicitation of proposals, Oasis Aero has been selected as the preferred FBO for the Willmar Municipal Airport.

The agreement, as proposed, provides for a higher level of service by the FBO, as well as increased revenue for the City. The Committee discussed the fuel pricing structure. Eric Rudningen of Oasis Aero explained how the FBO will offer fuel price options to be competitive. The Committee also discussed the need, for and availability of, courtesy cars at the airport. Mr. Rudningen said that they would welcome any retired City vehicles to use as courtesy cars. Finally, it was noted that Oasis Aero was named an authorized factory service center for Mooney aircraft. The previous FBO, Willmar Air Service, was also a Mooney Service Center. By reestablishing the service center at the Willmar Airport, it is hoped that traffic will increase, as well as the need for services.

A motion was made by Council Member Plowman, seconded by Council Member Johnson and passed that the Council adopt the resolution approving the FBO agreement and authorizing the Mayor and City Administrator to execute the agreement.

Item No. 4 Industrial Park Land Sale (Motion)

Staff presented a purchase agreement between the City of Willmar and ISCO, Inc. for the sale of Lot 4, Block 2, Willmar Industrial Park Third Addition. This property is across the street from the Buhler manufacturing facility. The purchase price of the land is just under \$330,000. The purchaser proposes to create at least an additional 33 jobs at its adjacent manufacturing facility over the next two years. Under the terms of the Industrial Land Write-Down Policy, this brings the net purchase price for the property to \$0.

Staff had recommended approval of the purchase agreement. The purchase agreement is the first step in the process. There will need to be a public hearing for an ordinance to sell the property, as well as a public hearing for a business subsidy agreement to recognize the incentives offered under the Industrial Land Write-Down Policy.

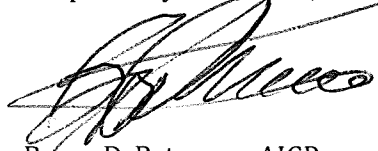

Following discussion, a motion was made by Council Member Anderson, seconded by Council Member Plowman and passed that the City approve the purchase agreement and direct staff to proceed with the public hearing for the land sale and business subsidy agreement.

Item No. 5 Building Construction Update (For Information Only)

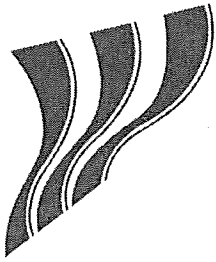

Staff presented updated figures on building construction, contrasting 2016 with the same time period of 2015. 2016 shows significant gains in all categories (see attachment).

There being no further business to come before the Committee, the meeting was adjourned at 5:30 p.m. by Chair Fagerlie.

Respectfully submitted,

RECOMMENDATION: To approve the purchase agreement as presented. A copy of the purchase agreement will be made available as soon as it is received from the City Attorney.

BACKGROUND: Staff has been working with a current resident in the Industrial Park on the sale of an additional lot to the company for future expansion purposes. The property under consideration is Lot 4, Block 2, Willmar Industrial Park Third Addition. This property is directly across Airport Drive from the Buhler manufacturing facility.

FINANCIAL CONSIDERATION: The purchase price for the property is approximately \$330,000. This is based on the full price of \$1.25 per square foot. The purchaser proposes to create 33 new positions within the next two years. Under the terms of the Industrial Land Write-Down Policy, this would provide the company with a credit of \$330,000, thereby reducing the out of pocket purchase price to \$0.

LEGAL: The purchase agreement was drafted by City Attorney Robert Scott and is the standard format purchase agreement used by the City for Industrial Park transactions.

ARTICLE 7. GENERAL PROVISIONS.

- 7.1 **Subordination to U.S.A./FAA Requirements.** This Agreement is subordinate to the provisions of any existing or future agreement between the City and the United States of America or the State of Minnesota relating to the operation or maintenance of the Airport. Furthermore, this Agreement may be amended to include provisions required by those agreements with the United States or the State of Minnesota.
- 7.2 **Minimum Standards and Rules and Regulations.** The City has adopted and will enforce Minimum Standards and reasonable rules and regulations to be uniformly applied to similar uses and users of similar space at the Airport, which the FBO agrees to observe and obey with respect to its use of the Leased Premises and Airport Facilities and the health, safety and welfare of those using the Leased Premises and Airport Facilities. The Minimum Standards and rules and regulations may be amended from time to time following notice to the FBO.
- 7.3 **Independent Contractor Status.** The FBO, at all times and for all purposes hereunder, shall be an independent contractor and is not an employee of the City for any purpose. No statement contained in this Agreement shall be construed so as to find the FBO to be an employee of the City, and the FBO shall not be entitled to any of the rights, privileges, or benefits of employees of the City, including but not limited to, workers' compensation, health/death benefits, and indemnification for third-party personal injury/property damage claims. The FBO acknowledges that no withholding or deduction for State or Federal income taxes, FICA, FUTA, or otherwise, will be made from any payments due the FBO hereunder, and that it is the FBO's sole obligation to comply with the applicable provisions of all Federal and State tax laws. The FBO shall at all times be free to exercise initiative, judgment and discretion as to how to best perform or provide the services identified herein. - 7.6 **No Waiver.** Any Party's failure in any one or more instances to insist upon strict performance of any of the terms and conditions of this Agreement or to exercise any right herein conferred shall not be construed as a waiver or relinquishment of that right or of that Party's right to assert or rely upon the terms and conditions of this Agreement. Any express waiver of a term of this Agreement shall not be binding and effective unless made in writing and properly executed by the waiving Party.
- 7.7 **Force Majeure.** Neither the City nor the FBO will be deemed to be in breach of this Agreement if either is prevented from performing any of its obligations hereunder by reason of Force Majeure.
